16. Conditions:

1. The design and operation of the facility shall comply with the Waste Tire Storage and Disposal Standards contained in Title 14 CCR, Division 7, Chapter 3, Article 5.5 of the State Minimum Standards for Solid Waste Handling and Disposal. The operator shall also comply with all of the permitting requirements in Title 14 CCR, Division 7, Chapter 6, entitled "Permitting of Waste Tire Facilities."
2. In the event of a fire or other emergency that may have potential significant off-site effects, the operator shall notify the Board within 24 hours of the onset of the emergency.
3. Upon presentation of proper credentials, the Local Enforcement Agency, Board staff, or an authorized agent of the Board, shall be allowed to enter the permitted facility during normal working hours to examine and copy books, papers, records, or memorandum and to conduct inspections and investigations pertaining to the facility.
4. A copy of the current permit shall be made available upon request to the Board or an authorized employee or agent of the Board during an inspection of the facility.
5. The operator shall maintain a copy of the approved Emergency Response Plan at the facility. At the time of permit issuance the operator shall forward a copy of the approved Emergency Response Plan to the local fire authority. The Emergency Response Plan shall be revised as necessary to reflect any changes in the operations of the waste tire facility or requirements of the local fire authority. The local fire authority and the Board shall be notified of any changes to the plan within 30 day of the revision.

WASTE TIRE FACILITY PERMIT

Facility/Permit Number:

24-TI-0656

16. Conditions: (continued)

6. All federal, state, and local permits or approvals referenced in this permit shall be maintained in force during the term of the permit. In the event any permit or approval is modified, is suspended or revoked, or expires during the term of the permit, the operator shall notify the Board within 30 days of the change and include copies of any renewed or modified permits or approvals.

7. The operator shall file amendments to the Operation Plan whenever necessary to keep the information contained in it current.

8. This permit does not release the operator from their responsibility under any other existing laws, ordinances, regulations, or statutes of other government agencies.

9. The terms and conditions of this permit may change as a result of a revision of the statute or regulations.

10. The operator shall comply with Title 14 CCR, Division 7, Chapter 3, sections 17354(a)-(b), of the Waste Tire Facility Regulations regarding dimensions and spacing of stockpiles or with particular requirements the local fire authority determines to be necessary or adequate to meet the intent of the regulations..
